House Bill No. 488*

by deleting all language after the enacting clause and substituting:

SECTION 1. Tennessee Code Annotated, Section 12-2-403, is amended by adding the following as a new subsection:

(h)

(1) Notwithstanding any other law to the contrary, the department of safety may, without payment of financial consideration and following notice to the commissioner of general services, transfer a surplus first responder two-way radio held by the department to the county government of a county that is designated as a distressed county in the most recently published edition of the Appalachian Regional Commission economic classification system index.

(2) After the transfer of a surplus two-way radio to a distressed county under subdivision (h)(1), other surplus two-way radios may then be transferred to other county governments in need of such equipment that submit proof to the department's satisfaction that such counties cannot purchase the radios within the budget for that fiscal year.

(3) Surplus first responder two-way radios held by the department that were obtained from the federal government or purchased with federal grant funds must be transferred in accordance with federal law or regulation regarding such property.
